

Job Title: Herd Manager

**Job Summary:**

As the Herd Management at Eleven Farms, you will play a pivotal role in overseeing many aspects of farm operations and ensuring the efficient management of resources. Located in Elliottsburg, PA, in scenic Perry County, our farm specializes in robotic dairy farming and the management of a herd of 120 Holstein dairy cows and replacements. This position offers an exciting opportunity to contribute to the success and growth of our farm operation.

**Responsibilities:**

- Oversee aspects of herd management, including but not limited to herd health, reproduction, and feeding using farm machinery.
- Develop and implement strategic plans to optimize productivity, efficiency, and profitability.
- Monitor and evaluate herd performance, identifying areas for improvement and implementing corrective actions.
- Ensure compliance with all regulatory requirements and standards related to food safety, animal welfare, and environmental stewardship.
- Coordinate with vendors, suppliers, and service providers to procure necessary resources and supplies for farm operations.
- Maintain accurate records and documentation related to farm herd management.

**Qualifications:**

- Proven experience in herd management or a similar role within the agriculture industry.
- Strong knowledge of dairy farming practices, including herd management, nutrition, herd health.
- Physical stamina, the ability to lift 50 lbs, and perform tasks in various weather conditions.
- Solid organizational and problem-solving abilities, with a strategic mindset and attention to detail.
- Proficiency in Microsoft Office and farm management software is desirable.
- Valid driver's license and reliable transportation to and from the farm.

**Benefits:**

- Competitive salary, health insurance option, housing option, farm vehicle
- Access to a supportive team environment.
- Potential for additional benefits based on performance and tenure.

How to Apply:

Please submit a resume outlining your interest in the position and any relevant skills or experience to LeeAnn McLaughlin at [LeeAnnMcLaughlin.EF@gmail.com](mailto:LeeAnnMcLaughlin.EF@gmail.com). Please put 'Herd Manager Application' in the subject line.

*Quality Milk,  
Legacy of Excellence*

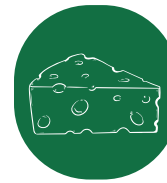

## OUR STORY

Eleven Farms has a rich history deeply rooted in the tradition of dairy farming. Founded in 2011, our farm began and continues as a family operation with a passion for producing high-quality fluid milk and a commitment to caring for our land and animals. Over the years, we have grown and evolved, adapting to changes in the industry while remaining true to our core values of excellence, integrity, and sustainability.

## OUR VISION

Our vision at Eleven Farms is to be recognized as a leading producer of high-quality dairy, renowned for our unwavering commitment to milk quality excellence, exceptional cattle care, and environmental stewardship. We aspire to be a trusted partner in our community, driving positive change in the dairy industry through innovation, integrity, and a steadfast dedication to our core values.

## OUR MISSION

At Eleven Farms, our mission is to produce premium-quality milk while prioritizing the well-being of our cattle, fostering a sense of community among our farm family, and demonstrating environmental stewardship in all aspects of our operations. Through dedication, innovation, and a commitment to excellence, we aim to enrich the lives of our customers, employees, and the broader community.
