NEXT PENNSYLVANIA AGRICULTURE HPAI CONFERENCE CALL TO BE HELD ON JANUARY 15

The Monthly Call Will Be Held on Wednesday, January 15 at 1 p.m. EST

Harrisburg, Pa. – Pennsylvania continues to monitor the rapid acceleration of cases of highly pathogenic avian influenza (HPAI) in dairy cattle across the United States. The Center for Dairy Excellence and Penn Ag Industries Association will host the next joint monthly Pennsylvania Agriculture HPAI Conference Call on Wednesday, January 15 at 1 p.m. EST for producers and stakeholders from all animal ag industries. With the PA Department of Agriculture establishing proactive testing protocols through mandatory milk testing at the processor level, panelists will answer questions about Pennsylvania’s ongoing response efforts, the overall HPAI health situation and more.

Individuals who join the conference call will be able to ask real-time questions to each panelist. To ensure as many questions can be addressed as possible, questions can be submitted in advance of the call. Text 717-585-0766 to submit questions or email ctrdairyexcellence@gmail.com.
