**Harrisburg, Pa.** – The Center for Dairy Excellence Foundation of Pennsylvania is offering two \$3,000 scholarships to incoming undergraduate students who have completed and passed at least one of the Dairy Tomorrow certification exams and associated course work before May 15, 2018.

“The purpose of these scholarships is to provide recognition, encouragement, and financial assistance to outstanding students,” said Brittany Haag, dairy education program manager for the Center Foundation. “We encourage those enrolled in these academic programs to continue on with a career in the dairy industry.”

Selection of the scholarship winners will be based on the completed application within the following criteria: academic performance; evidence of leadership, character, and integrity; application compliance and commitment to working in or promoting the dairy industry after graduation. There is no GPA requirement; however, a student’s GPA is taken into consideration within the academic performance category.

The deadline to apply is July 1, 2018. To receive an application form, visit [dairyleadertomorrow.com](http://dairyleadertomorrow.com) and under the tab “Scholarships”, follow the section “Student”.
