APRIL 'PROTECTING YOUR PROFITS' CALL TO BE HELD

Zepp to Review Market Fundamentals at Noon on April 25

Harrisburg, Pa. – The Center for Dairy Excellence’s monthly “Protecting Your Profits” call will be held Wednesday, April 25, at noon. The call will be led by Alan Zepp, risk management program manager with the Center.

Cynthia Walters, Farm Service Agency program specialist, will talk through revisions of the 2018 Margin Protection Program.

“Futures markets currently anticipate MPP payments through August,” Zepp said. “We will review these MPP changes, provide a summary of market fundamentals and look at how these modifications can interact with other risk management tools as you construct a marketing plan for your farm.”

Join the Center for a discussion on fundamentals behind these market moves. All are welcome to participate at no cost in the upcoming “Protecting Your Profits” conference call. To register and obtain the conference line information, please call 717-346-0849, or email Alan Zepp at azepp@centerfordairyexcellence.org.

The call will start promptly at noon and last approximately 30 minutes. Calls are recorded and posted on the Center for Dairy Excellence website under the “Dairy Information” tab for those who are unable to join the live session.
