JUNE 'PROTECTING YOUR PROFITS' CALL TO BE HELD

Zepp to Review Market Fundamentals at Noon on June 27

Harrisburg, Pa. – The Center for Dairy Excellence’s monthly “Protecting Your Profits” call will be held Wednesday, June 27, at noon. The call will be led by Alan Zepp, risk management program manager with the Center.

“The good news is dairy export volumes grew by 31 percent compared to last April, reaching a record 18.8 percent of U.S. production for that month,” Zepp said. “However, Mexico imposed tariffs on U.S. cheese as a response to the U.S. steel and aluminum tariffs.”

Join the Center for a short discussion on dairy market fundamentals and marketing plan strategies. All are welcome to participate at no cost in the upcoming “Protecting Your Profits” conference call. To register and obtain the conference line information, please call (717) 346-0849, or email Alan Zepp at azepp@centerfordairyexcellence.org.

The call will start promptly at noon and last approximately 15 minutes. Calls are recorded and posted on the Center for Dairy Excellence website under the “Dairy Information” tab for those who are unable to join the live session.
