SEPTEMBER 'PROTECTING YOUR PROFITS' CALL TO BE HELD

Zepp to Review Market Fundamentals at Noon on September 26

Harrisburg, Pa. – The Center for Dairy Excellence’s monthly “Protecting Your Profits” call will be held Wednesday, September 26, at noon. The call will be led by Alan Zepp, risk management program manager with the Center.

Class III futures market prices for next spring are just over \$16.00, which corresponds to \$7.00 MPP margins for the first half of 2019. Join the Center for a short discussion on the market fundamentals behind these prolonged price valley and marketing plan strategies. We will also speak to USDA’s Market Facilitation Program administered by the Farm Service Agency and the new Dairy Revenue Protection crop insurance policy.

All are welcome to participate at no cost in the upcoming “Protecting Your Profits” conference call. To register and obtain the conference line information, please call 717-346-0849, or email Alan Zepp at azepp@centerfordairyexcellence.org.

The call will start promptly at noon and last approximately 15 minutes. Calls are recorded and posted on the Center for Dairy Excellence website under the “Dairy Information” tab for those who are unable to join the live session.
