

Job Title: Dairy Operations Assistant (Part-Time)

**Job Summary:**

Join our innovative dairy farm operation as a Dairy Operations Assistant (Part-Time) at Eleven Farms, located in Elliottsburg, PA, nestled in picturesque Perry County. We specialize in robotic dairy farming, utilizing cutting-edge technology to manage our herd of 120 Holstein dairy cows. This entry-level position offers the opportunity to play a crucial role in our farm's daily operations by assisting with the operation of herd management, robotic equipment, feeding tasks, and general farm chores. If you're passionate about agriculture and interested in gaining hands-on experience with modern farming practices, we'd love to have you on our team!

**Responsibilities:**

- Perform routine tasks related to animal care, including feeding, watering, and bedding animals.
- Monitor animal health and report any concerns or issues to the farm manager.
- Maintain cleanliness and organization in animal housing areas and other farm facilities.
- Assist with the operation and maintenance of robotic equipment used in daily farm operations.
- Follow safety protocols and procedures to ensure the well-being of both humans and animals on the farm.
- Collaborate with other team members to complete daily tasks and achieve farm goals.

**Qualifications:**

- No prior experience with automation technology is required; training will be provided.
- Strong communication skills and the ability to work effectively both independently and as part of a team.
- Physical stamina, the ability to lift 50 lbs, and perform tasks in various weather conditions.
- Willingness to learn and adapt to new technologies and farm practices.
- Attention to detail and a commitment to maintaining high standards of animal care and farm management.
- Valid driver's license and reliable transportation to and from the farm.

**Benefits:**

- 10-25 hours per week. The work schedule will have fixed days and times each week. Employees have the flexibility to choose their preferred days, provided that once chosen, those days remain consistent.
- Opportunity for growth and advancement within the farm operation.
- Access to a supportive team environment.
- Potential for additional benefits based on performance and tenure.
