

Join Us As a Catalyst for Pennsylvania's Dairy Industry

The Center for Dairy Excellence is focused on serving the Pennsylvania dairy industry. Our role is to foster collaboration and opportunity across all sectors, while helping individual dairy farm families thrive in the Commonwealth. Even with the current challenges that exist, we believe tremendous opportunities exist both for our industry and for the individual dairy farm businesses that make up the fabric of Pennsylvania's rural communities.

The Center continues to make a real difference across Pennsylvania's dairy industry and on thousands of farms and industry related businesses. It is a shining example of a public:private partnership, with funds from the Pennsylvania Department of Agriculture serving as seed money to support efforts to strengthen both individual farms and the industry. When producers are looking to their future, we can bring industry consultants around the table. When dairy processors and companies look to their future, we serve as a resource in helping them find opportunities within Pennsylvania.

While 50 percent of our funds come from the Pennsylvania Department of Agriculture Ag Excellence initiative, we rely on the other 50 percent to come from the Allies for Advancement program, competitive grants and other sources. Organizations providing financial support to the Center through the Allies for Advancement Program demonstrate their interest in collaborating to ensure dairy remains strong and growing in Pennsylvania.

Become an Ally today! Join the Center for Dairy Excellence in empowering Pennsylvania's dairy industry and its individual dairy farm families.
