

Complete this section to show how outline biosecurity protocols your farm has put in place for visitors. Consider using the posters provided in your biosecurity kit to walk visitors and employees through the biosecurity practices required when visiting your farm.

### VISITOR TRAINING TEMPLATE

#### BIOSECURITY MANAGER CONTACT INFORMATION

If you have any questions or concerns regarding biosecurity, please contact:

Biosecurity Manager: \_\_\_\_\_ Phone: \_\_\_\_\_

Alt Biosecurity Manager: \_\_\_\_\_ Phone: \_\_\_\_\_

#### BIOSECURITY ENTRY REQUIREMENTS FOR ALL VISITORS:

- All visitors will sign the entry logbook.
- Only essential visitors are permitted on the farm.
- Vehicles will park away from animal care areas.
- Visitors who have traveled internationally within 5 days will not be permitted in animal care areas.
- Clean footwear is worn. Options to meet this requirement include:
  - o Disposable boot covers
  - o Farm-dedicated boots/footwear
  - o Cleaning and disinfecting footwear upon arrival

#### BIOSECURITY ENTRY REQUIREMENTS FOR ENTRY INTO ANIMAL CARE AREAS:

Entry Requirements:

- Only visitors who need to be in animal care areas will be permitted access.
- Clean footwear must be worn. Options to meet this requirement include:
  - o Disposable boot covers
  - o Farm-dedicated boots/footwear
  - o Cleaning and disinfecting footwear upon arrival
- Clean clothing must be worn. Options to meet this requirement include:
  - o Freshly laundered coveralls
  - o Farm-dedicated coveralls or clothing
  - o Disposable coveralls
- All visitors must wash hands before contact with livestock.

#### SAFETY & EXIT REQUIREMENTS:

- All visitors with animal contact will wash their hands prior to leaving the farm.
- If HPAI is suspected or diagnosed on this operation, CDC recommendations for human safety include:
  - o Gloves, N95 respirator, eye protection, and disposable footwear and coveralls.

Please write out any additional biosecurity protocols specific to your farm below.
